  - 130 Dog Laundry Room
  - 134 Isolation Kennels
  - Outdoor Dog Run

# Major GIFTS

**Homeward Bound Pets (HBPets)** has provided care and shelter to thousands of dogs and cats since 1975. However, we are at a critical point in our history as our old facilities can no longer be adequately maintained. It is urgent that we build a safe and efficient facility in order to accommodate our community's needs and to provide a safe, comfortable place to care for the pets we are trying to save while finding them a forever family. This new facility will allow our staff and volunteers to continue to provide the love and care all animals deserve. It will also allow potential pet parents to meet their future family members in a welcoming and warm environment.

**As a 501(c)(3) non-profit organization**, we must rely on the generosity of individuals, businesses, foundations, and community partners for support of this necessary but expensive undertaking. HBPets is excited and honored to invite donors who wish to be a part of building this new shelter to invest in our care of the community's most vulnerable pets.

You can leave a lasting legacy and further our mission "to improve the lives of cats and dogs through adoption and community partnerships" by investing in our capital campaign. HBPets offers many giving levels for you to help us build a new shelter for all the lost, abandoned, surrendered, and neglected cats and dogs that come to us every day.

## ***Buck found luck and his new family!***

Enclosed is a list of naming opportunities that will allow you to place your business, personal, or honorary name in a designated space in the new animal shelter and adoption center. All donations for the capital campaign of \$20,000 or more will be given special recognition at the entrance to the shelter in a permanent display of "founders" when the new facility is completed. In addition, HBPets will publicly thank and honor those who support this campaign and help us build this desperately needed shelter.

*"I enthusiastically support Homeward Bound Pets mostly because they do an excellent job of caring for an ever-increasing number of animals which need to find a home, but also because they help to reduce pet overpopulation at their Spay/Neuter clinic. I can't imagine what would happen to companion animals that are lost, surrendered or abandoned without HBPets to care for them! In addition, HBPets has a Licensing Department which handles all the dog licensing for Yamhill County. In order to accomplish all of this work in service to our community, HBPets has a critical need for better and safer facilities, which is why I hope many other community members will join me in supporting the Capital Campaign." - Ronni Lacroute*

# Naming OPPORTUNITIES

Reserve your room or area by donating 20% of the total and pledging the remainder!

## Animal Shelter Building \$2,300,000

Give shelter, give hope! Business/individual donor name on a plaque with HBPets logo on the animal shelter building sign including all digital and print media for the animal shelter for a duration of 25 years.
