

Hello,

Thank you for reaching out about your cat or kitten.

At this time, we have closed all cat/kitten intakes, while we are under construction for our much-needed new shelter.

****If you adopted your cat from us, please let us know as we are taking previously adopted cats back, we would just need to find space for them. ****

These are just a few and in no particular order and if they offer you a spot on a waitlist TAKE IT, even if it's months out.
